

UNITED STATES DISTRICT COURT

Southern District of Florida

Case Number: 2:25-tp-14004-AMC-1

UNITED STATES OF AMERICA

Plaintiff(s)

v.

RYAN PAUL VARVILLE

Defendant(s)

MOTION TO MODIFY CONDITIONS OF RELEASE  
(TITLE OF DOCUMENT)

I, RYAN VARVILLE ~~plaintiff~~ or defendant, in the above styled cause,  
hereby request that my conditions of release be modified to  
eliminate the new restriction barring me from accessing the  
internet.

During my sentencing hearing in the Western District of  
Texas in 2016, through my attorney I negotiated terms with  
Judge Xavier Rodriguez that resulted in my supervised release  
conditions not containing any provisions restricting me from internet  
access.

In May of 2025 (05/29/2025) my case was transferred from  
the Western District of Texas to the Southern District of Florida  
due to my relocation to live closer to family. My newly assigned  
probation officer had me sign a form that stated I would have no  
internet access, otherwise he would not accept my transfer. This  
negates the decision of the Judge initially assigned to my case, who  
sentenced me and who was the most qualified to make the decision due to

being familiar with my personal circumstances. I also had legal access to the internet for many years following the 2010 indictment, including all of the time before and during pre-trial as well as post-incarceration before I transferred to Florida. Now suddenly when I need access to the internet the most, it is restricted. I am doing my best to move forward as far away from my criminal past as possible, but find that I am having immense difficulty in my efforts to reintegrate back into society and the economy without internet access. I am unable to secure employment, unable to pay bills and banking, unable to enroll in and complete higher-education, and unable to update my sex-offender registration changes due to the FDLE's recommendation that most changes are to be done on the FDLE website by the offender and are not allowed to be done by a family member and not allowed to be done by phone. In-person appointments are often booked ahead of time, creating a legal predicament for me when I need to make the changes in a timely manner. Therefore I respectfully pray that this Honorable Court modify my conditions of supervised release accordingly so that the new restriction of internet is removed.
